Come and visit us in our new location open for lunch and dinner 7 days a week Sit outside the marina day or night and watch the boats come in. Great food summer or winter this is a must. Whether it's salads, fish, beef or pasta you will never be disappointed. Damage + Jo loves to come here for an early dinner to beat the run - get crab cakes and damn Mary. Your mouth with water. If you come to lunch, the fries are as great as your side. Oysters with shishito peppers and bacon butter!? Yes, please. I love it here. The service is spotty, so order everything right away, but the food is delicious and the restaurant is unpredictable. Good for lunch in the port of sag. Bloody Mary is very good. Dumplings are great but not traditional. The salads are bland. Crunchy onions are the best I've ever had anywhere. Look at the back of the menu. Monstrous portions of sizes that are suitable to make super full. I loved cod and paellaMust: avocado lobster spring roll. They have wellness selections for those who want healthy dishes and great tastings. You can't really go wrong on the menu, but if you have the butter-poached lobster special, don't miss it! The outdoor lunch is fantastic. The owners are friendly and accommodating. The shell of marinated sesame tuna is very good. Avoid the chicken pie. The puff pastry crust is never a good idea for cpp. Sesame Tuna Wrap is awesome. Great for brunch! Bonuses that have a grilled cheese plate for kids. Incredible food. Great view. But you only get bonus points if you spot a celebrity like Billy Joel. Come for the Cod, stay for the Margarito Great lobster roller, vaporizers, lemonade The food is great. Sit outside but watch out for killer beesGreat vegan and vegetarian options Fish tacos or paella. Delicious! You must try the Asian wings!!! Surely they have to take wings... tantalizing! Don't you dare the piece of sheep. Everything else I had is fine, but the chicken pie is really disgusting. Worst Service and Attitude I have ever experienced in 10+ years in New York and beyond.
